# Start at College, Thrive at University

## Ranked in the top 2% of universities worldwide

University success starts here! Our diplomas are designed to equip our students with the knowledge, skills and confidence to excel at university. Our students enjoy small, interactive classes, personalised support from teachers and counsellors, plus extra courses designed to strengthen their academic, maths and language skills.

“

Griffith College is a great pathway to university for international students. I've been able to improve my English language skills, my academic writing and my time management skills through the support I have received. My favourite part about living on the Gold Coast is the relaxed surroundings, the fresh air, blue sky and the wonderful weather!”

### OUR CAMPUS LOCATIONS

Griffith College is located in South East Queensland, on the east coast of Australia.

We have two campuses, situated in key locations in this thriving part of the world: Brisbane (Queensland's capital) and the Gold Coast, home to world-famous beaches.

As a Griffith College student you will be welcomed into the wider university community from day one, with access to university facilities and a support network of staff and classmates to help you succeed throughout your journey.

“

“My favourite part of the courses is how well they are all broken down, this makes it so much easier for me to understand what is required to gain the best possible grade. I feel a lot more prepared for university as I've already had an insight into student life.”
